Molly - re. Precix we agreed to hold off (for now) on a general coordination meeting with them, until their FOIA request with the city is ironed out, etc. It might make sense to discuss this further at the 9/16 meeting before making any further moves...

Hi Dave - Thanks for the Agenda. Hope you enjoyed the lunch. Did you

talk at all about coordination with Precix? I'd be interested in talking about that with you or Cindy if possible. Shep Johnson had called me about it in August and I'd like to be able to get back to him at some point before our meeting on September 16th. Thanks very much - Molly
